(umesto komentara) Posveta LP duu:

Klavirski duo **LP** je na domaćoj, ali i inostranoj sceni prisutan već punih dvanaest godina, i to sa izuzetnim uspehom. U tom periodu nekoliko puta sam imao lično zadovoljstvo da sarađujem sa sjajnim umetnicima kakvi su Sonja Lončar i Andrija Pavlović, pre svega kroz realizaciju njihovih koncerata u okviru Međunarodne tribine kompozitora. Ovom prilikom našu saradnju usmeravamo dalje, te im svoju kompoziciju **Komad, kolač, kolaž** posvećujem kao simbolični slatki dar, sa puno čokolade i šлага, sa sve trešnjom na vrhu, za ulazak njihovog dua u mangupske, takozvane tinejdž godine. Neka je uspešno, srećno i dugovečno!

Ivan Brkljačić, Beograd 2016. godine.

p.s. U ovoj kompoziciji su, između ostalog, prisutni elementi teatra, manifestovani kroz vizuelnu aktivaciju svih dvadeset prstiju koji učestvuju u procesu izvođenja, kao i kroz svojevrsnu borbu za fizički prostor svakog od članova klavirskog dua.

Ivan Brkljačić, Beograd 2019. godine.

A Piece, a Cookie, a Collage for piano four hands (20 fingers)

In lieu of a commentary – a dedication to the LP Duo:

The piano duo **LP** have been active on Serbia's, as well as international, music scene for a full 12 years, with tremendous success. During this time, I have had the pleasure of collaborating with these two wonderful artists, Sonja Lončar and Andrija Pavlović, on multiple occasions, primarily through the organization of their performances at the International Review of Composers. On this occasion we are taking our collaboration further, so I dedicate **A Piece, a Cookie, a Collage** to them as a symbolic and sweet gift, with lots of chocolate and cream, complete with a cherry on top, on the eve of their duo's entry into its teenage years, the years of mischief. May they bring them lots of success and happiness, and many happy returns!

Ivan Brkljačić, Belgrade, 2016.

P.S. Among other things, this piece contains elements of theatre, manifested through its visual activation of all 20 fingers that take part in the performing process, as well as by engaging the two performers of the piano duo in a sort of struggle for physical space.

Ivan Brkljačić, Belgrade, 2019

Uputstva:

***1.** U prvih osamnaest taktova prilikom izvođenja šesnaestina poželjno je uključiti svih dvadeset prstiju kojima duo raspolaže. Tokom živog izvođenja kompozicije trebalo bi publici skrenuti pažnju na to.

***2.** U narednom segmentu (od 79. takta) izvođači bi trebalo da budu u svojevrsnoj borbi za neophodan lični prostor. Tokom živog izvođenja kompozicije trebalo bi publici skrenuti pažnju na to.

***3.** Akord odsvirati veoma svetlo i pustiti ga da traje dok zvuk sam ne iščezne.

Instructions:

***1.** In the first eighteen beats, during the playing of the sixteenths, it is recommended to use all of the duo's 20 fingers. This should be highlighted to the audience during a live performance.

***2.** In the next segment (from the bar 79th), the performed should be in an ultimate battle for personal space. This should be highlighted to the audience during a live performance.

***3.** The chord should be played very gently and lightly and be allowed to go on until the sound naturally dissipates.
